PRINCIPAL'S MESSAGE

The Time has ARRIVED, get ready to board

Well the big week is upon us and boy are they excited. At the Tech Rehearsal, I could see that all the effort, time and sweat is going to be worth it. That is about all I can share because I am sworn to secrecy until the big reveal on Wednesday 12:00pm. If you haven't got a BOARDING PASS it is time. We will only be selling at the door if there are BOARDING PASSES available. Our Facebook site will be listing roughly the seating numbers in case you can only commit at the last minute to coming but I am sure that they will be snapped up fast, especially the Wednesday Night Performance.

I ask that you might help us with settling the children who are very excited. We are telling them that you are also coming up to the school to hear from their teachers how well behaved they have been while getting ready for the performance as well as watching them perform.

School Reports

Next week teachers will commence finalizing assessment tasks and evaluations to prepare the reports for Semester Two. Please remember that if you are interested in finding out more about what your child is learning you are welcome to make an appointment and go through this with their teacher. Our teachers really enjoy sharing thoughts on how students learn and investigating what could assist a student to improve further.

Huge Thankyou

In wrapping up I would like to thank the staff (from the front office through to teachers in the classroom) for their amazing commitment to ensuring that every student in the school has had the opportunity to perform for families and friends of North Nowra Public School this week. It is no small feat and I know how much effort they have put into your children's Creative Arts program to ensure that they perform to the best of their ability this week.

Thank you also for the team of parents and friends who have provided sewing, cutting, gluing and photography to ensure that all students and costumes are ready on time.

I look forward to welcoming you over the coming week into the school to see your children perform. I hope you enjoy the journey 'Around the World in 80 Minutes' as much as the children and staff have enjoyed preparing it for you.

Relieving Principal

ARE YOU LEAVING?

In order to plan our class/year numbers for next year, it is very important that we know which families won't be at North Nowra Public School at the start of 2018. If you are leaving, or think you are leaving this term or during the Christmas holidays, please let the front office know as soon as possible.
