PRINCIPAL'S MESSAGE

Congratulations to Tanishi Reddy who is the Junior Girls Shoalhaven PSSA Age Champion for Athletics. Our school is very proud of all of our athletes who have competed over the past few weeks. We also wish the Shoalhaven District Athletics team with Tanishi Reddy, Kynan Miller, Talea Miller and Dakota Puplett all the best this Friday at the regional championships in Canberra.

Father's Day Breakfast

This weekend is Father's Day and we are looking forward to seeing as many fathers as possible at the breakfast on Friday 1st September from 8am. Come and join the children and share with them their joy at seeing you in their school. The P&C will be hosting this great event and we thank them for their commitment to the families of North Nowra Public School Community.

Outdoor Cinema

I hope that everyone is setting aside the night of Friday 8th September for the greatest outdoor cinema event. North Nowra Public School hosts Trolls, sponsored by

the Manildra Group. This event is one of our school's major fund raising events and needs your support.

You can get tickets online at:

<https://www.eventbrite.com.au/e/outdoor-cinema-tickets-36715305467> or go to our school facebook page and follow the link.

The P&C have worked hard to make this event a wonderful success. To support them further and become more involved in your child's learning program please contact the P&C this week to volunteer for some of the on-the-day roles they need support with. If you would like to support from home maybe you could join the Bake team and cook up some yummy treats for the bake sale on the night. Thank you to all the families who have already done a lot to make this night a wonderful success. We just need great weather now!

Jump Rope for Heart

This term many of our students will be involved in Jump Rope for Heart. This is a great opportunity to keep fit and fundraise for a worthwhile cause. A quick reminder about stranger danger when fundraising. If your children are approaching neighbours to sponsor them please ensure they are supervised, our main priority is safe students!

In the coming weeks, our school community will be involved in collecting and collating data to assist our school to make decisions about the schools future learning, teaching and leadership targets. Your support in this process is important and we look forward to consulting with our community to determine our targets for 2018 to 2020. I thank and value the active role that all parents, carers and families take in helping our school shape the citizens of the future.

Have a great week. I look forward to catch up with many of you at the Father's Day Breakfast and Trolls Cinema night.
